

I am delighted to write a letter of reference for Favour Egwuda following their completion of the EntryLevel Financial Analyst Program.

Favour has completed the 6-week program and submitted an exemplary portfolio, demonstrating financial knowledge through their detailed Company Analysis.

In their report, Favour analysed a company's performance, top performing product and compared them with their competitors' financial performance using charts and graphs.

Favour also showed accounting knowledge by calculating the key financial ratios on the company's financial statements and adding insightful comments. Favour then determined the most feasible investment opportunity for the business and wrote a memo with their findings and recommendations.

EntryLevel also awards badges to signify exceptional performance and Favour was awarded the following badges:

The "Team Player" badge, for completing the program alongside a peer group, demonstrating the willingness to learn and solve problems collaboratively.

Best Regards,

The EntryLevel Team
