I am delighted to write a letter of reference for Joy Odunayo Onwunaru following their completion of the EntryLevel Data Analyst Program.

Joy has completed the 6-week program and submitted an exemplary portfolio. Joy demonstrating Excel and Tableau skills in their report, and critical thinking skills when conducting the analysis on the data. In their report write-up, the 5 Whys approach was used and the findings were communicated clearly. Joy also displayed problem-solving ability by proposing recommendations on the case study.

EntryLevel also awards badges to signify exceptional performance and Joy was awarded the following badges:

The "Team Player" badge, for completing the program alongside a peer group, demonstrating the willingness to learn and solve problems collaboratively.

The "Critical Thinker" badge, for going above and beyond in giving constructive feedback to their peers by reviewing their portfolios.

The "On Time" badge, for their ability to consistently deliver work on time and staying up to date with the program schedule.

Best Regards,

The EntryLevel Team
