

I am delighted to write a letter of reference for Williams Emmanuel following their completion of the EntryLevel Financial Analyst Program.

Williams has completed the 6-week program and submitted an exemplary portfolio, demonstrating financial knowledge through their detailed Company Analysis.

In their report, Williams analysed a company's performance, top performing product and compared them with their competitors' financial performance using charts and graphs.

Williams also showed accounting knowledge by calculating the key financial ratios on the company's financial statements and adding insightful comments. Williams then determined the most feasible investment opportunity for the business and wrote a memo with their findings and recommendations.

EntryLevel also awards badges to signify exceptional performance and Williams was awarded the following badges:

The "Independent Learner" badge, for completing the program independently, demonstrating self-sufficiency, the willingness, and the ability to tackle problems independently.

Best Regards,

The EntryLevel Team
